Where your gifts touch lives.

Donor Recognition

***To Those Who Share Our Vision
Support Our Mission
And Provide Leadership
We Are Deeply Grateful.***

Because your support is so valuable to the mission of Hamot and because we are deeply grateful for your generosity, we recognize our donors in multiple ways.

Published four times a year, our Fundamentals newsletter recognizes all gifts to Hamot. Without regard to gift amount, donors are listed alphabetically according to the restricted or unrestricted fund to which they directed their gifts. Donors to The Hamot Fund, our general use fund, are listed in a special section.

To recognize lifetime giving levels, we have on display near the main lobby of Hamot Medical Center beautifully crafted Recognition Towers that display the names of those donors who have made significant commitments to Hamot through charitable giving. Recognition levels begin at \$2,500.

To recognize those donors who include Hamot in their estate plans, we offer membership in the Hamot Heritage Society and recognition on the Society's ceramic apple tree, also on display in the main lobby of the Medical Center.

We feel it is important to recognize our donors for their support, as well as to honor their wishes and respect their privacy. Therefore, requests for anonymity are always honored.
