

## Hamot Second Century Fund

*Where your gifts touch lives.*

### Statement of Professional Ethics

*Hamot Second Century Fund staff subscribe to and follow national ethical standards.*

The staff of Hamot Second Century Fund recognize the importance of professional development, professional conduct and professional ethics. To that end, various staff members maintain membership and involvement in several national and international organizations.

As members of these professional organizations, Hamot Second Century Fund staff participate in valuable and cost-effective educational opportunities and network with other fundraising professionals and healthcare administrators.

As members of these professional organizations, Hamot Second Century Fund staff subscribe to each organization's professional code of ethics and standards of conduct.

We are members of the following organizations:

*Association for Healthcare Philanthropy*

*Association of Fundraising Professionals*

*National Committee on Planned Giving*
