Where your gifts touch lives.

Ways to Give

**Donors
make gifts
to Hamot in
many ways.**

Thank You

All gifts made to Hamot Health Foundation through Hamot Second Century Fund are tax deductible to the full extent of the Internal Revenue Code Section 501(c)(3). The Second Century Fund of Hamot Health Foundation records all gifts to Hamot, designates and oversees their use and provides gift receipts and recognition to donors.

Your generosity is greatly appreciated.

By Check, Cash or Charge:

The most common and convenient way to make a gift is by writing a check. Checks can be made payable to Hamot Second Century Fund, Hamot Health Foundation or Great Lakes Hospice. If you prefer, you can charge your gift through Mastercard, Visa or Discover. For your convenience, printable gift forms are available on this site. You can also make a credit card gift, or pledge a gift, over the phone by calling (814) 877-7020. While we gratefully accept cash gifts made in person at our office located at 302 French St., we strongly discourage donors from sending cash gifts in the mail.

Through Stock:

Donors have several options to make a gift of appreciated securities such as stocks, mutual funds and bonds. These gifts often hold special tax benefits and donors are advised to consult their attorneys or tax advisors.

Through Planned Giving:

The many vehicles of planned giving include bequests, charitable gift annuities, charitable remainder trusts and insurance programs. The planned giving staff of Hamot Second Century Fund is happy to help you establish your own legacy of healing and looks forward to hearing from you.
